

Mirakl Connect

The global marketplace ecosystem

The platform where Sellers, Partners and Mirakl-powered Marketplaces meet to accelerate their business.

The first professional networking platform for the thriving marketplace community

Mirakl provides the most advanced SaaS platform on the market to launch your own marketplace, scale your dropship program, or sell online in B2B without channel conflict. Achieving success depends not only on having the best technology, but also in **finding the right partners and sellers**. But it can be a challenge to identify partners, source sellers, and gain visibility with Mirakl-powered Marketplaces.

Mirakl Connect is a new platform that brings together a **global community of marketplace sellers, partners** who have tailored services and technology solutions, and **Mirakl-powered Marketplaces**. Mirakl Connect empowers key players in the marketplace ecosystem to come together on one platform in order to **engage and accelerate their business**.

“By 2023, the majority of online sellers (brands, distributors) will list their products on marketplaces.”
