

MedicsCloud EHR for Behavioral Health:

Special Features for the Outpatient Psychiatry Practice

MedicsCloud EHR for BH's ability to handle the needs of the outpatient psychiatry practice is exceptional.

- Built-In Intake Assessment
- Treatment Plans and Progress Notes
- Psychiatric Evaluation Note with a Mental Status Examination complies with the documentation requirements for the outpatient psychiatry practice
- Reporting capability tracks various compliance requirements and Outcomes measures.

These capabilities, along with the system's overall features for BH make it the ideal system for any outpatient psychiatry practice.
