## **FOR IMMEDIATE RELEASE**

### **Muster is a CAE Approved Provider**

*Providing educational programs for leaders who maintain the CAE credential*

**MAY 25, 2017 (Richmond, VA)** -- Muster is pleased to announce it has been formally accepted as a Certified Association Executive (CAE) Approved Provider by the ASAE: The Center for Association Leadership. As a CAE Approved Provider, Muster will offer in-person and self-study educational programs in accordance with CAE policies.

“We are excited to be recognized as a CAE provider”, said Joe Manriquez, Director of Sales and Marketing at [Muster](#), “we are dedicated to helping provide valuable content for our certified association executives to help them grow in their careers”.

For more information about the CAE credential or Approved Provider program, please visit [www.asaecenter.org/cae](http://www.asaecenter.org/cae).

#### **About Muster**

Founded in 2014, Muster is an award-nominated technology company that bridges the gap between policymakers and mission-oriented organizations by building intuitive and innovative digital advocacy tools. Muster’s advocacy platform empowers organizations to mobilize their base on legislative issues and meet their policy goals. Muster has a proven track record in powering the campaigns behind legislative victories and driving grassroots advocacy.

Clients include the American Horse Council, the Richmond Association of REALTORS, the Texas Nurses Association, the Massachusetts Farm Bureau Federation, and many other policy-influenced organizations.
