## **Provista Diagnostics Announces the Closing of \$6.0 Million Financing**

**New York, NY** – August 4, 2015 – Provista Diagnostics, Inc., a privately held molecular diagnostics company headquartered in New York, today announced the closing of \$6.0 million of Series A-2 Preferred financing. All of the funds come from existing investors exercising warrants from a previous financing round. The proceeds will be used for continued commercial development, prospective clinical trials, key management hires and general corporate purposes.

Provista has raised a total of \$32.7 million since 2011.

“We are sincerely grateful to our investors for the confidence they have shown in both our product and business plan going forward” said David E. Reese, PhD, Chief Executive Officer of Provista.

### **About Provista**

Provista Diagnostics is a privately held molecular diagnostics company focused on developing and commercializing a new generation of proprietary blood-based proteomic diagnostic, prognostic and monitoring tests designed to address the unmet needs in women’s cancer, such as breast and gynecologic cancers. Provista Diagnostics’ state-of-the-art, high-complexity clinical laboratory is accredited by the College of American Pathologists (CAP) and with the Clinical Laboratory Improvement Amendments (CLIA).

## **Safe Harbor Statement**

Statements contained in this communication not relating to historical facts are forward-looking statements that are intended to fall within the safe harbor rule for such statements under the Private Securities Litigation Reform Act of 1995. The information contained in the forward-looking statements is inherently uncertain, and Provista's actual results may differ materially due to a number of factors, many of which are beyond Provista's ability to predict or control, including among others, viability and effectiveness of our sales approach and overall marketing strategies, the outcome of development or regulatory review of our products, commercial success or acceptance by the medical community, competitive responses, our ability to raise additional capital, and the ability to successfully file a registration statement with the SEC. These forward-looking statements are subject to known and unknown risks and uncertainties that could cause actual events to differ from the forward-looking statements. Provista operates in a highly competitive and rapidly changing business and regulatory environment, thus new or unforeseen risks may arise. Accordingly, investors should not place any reliance on forward-looking statements as a prediction of actual results. Except as is expressly required by the federal securities laws, Provista undertakes no obligation to update or revise any forward-looking statements, whether as a result of new information, changed circumstances or future events or for any other reason.
