

2020 Enrollment Materials Ordering Guide

Step-by-step Dynamic Kit
Ordering Aid

Dynamic Kits

- ✓ Build your own Dynamic Kit in 3 steps
- ✓ Contains required materials automatically
- ✓ You're able to SELECT the additional items to add to your kit
- ✓ Each kit can be built to contain the materials necessary to present MULTIPLE plans

Helpful Hint

Build a Kit option used to be based off of a DESELECT method. This is now a SELECT method, where you have to ADD the components you want to your dynamic kits!

Step 1
