Find a Provider How To

1. **Quick Search:** Simply enter a name, specialty, or type of facility
2. **Detailed Search:** More search items including address, urgent care clinics, provider gender, office hours, affiliations, and languages
3. **My Favorites:** Saved providers will appear here
4. **Navigation:** Use this menu to navigate the site. Click the logo to go to the home page
5. **Select a Product:** With these you can change the health plan product or language
6. **Font Size:** You can increase or decrease font size from the home screen
7. **Menu:** You can use the search functionality by clicking the Menu icon on the home page

8. **Results Page:** The Results page will display all results based on your search
9. **Page Options:** You can Print, Filter, or Search the page again using these icons. There are also icons for Public Transportation or Driving Directions and Add/Remove Selection from Favorites on the Provider Detail page
10. **Show All Locations:** If the Provider services more than one location, click "Show All Locations" and "Hide All Locations" once viewed
11. **Provider Name:** Once the Provider is found, click on the Name to display the Provider details
