*This press release contains statements concerning Ceragon's future prospects that are "forward-looking statements" as defined in the Private Securities Litigation Reform Act of 1995. Such forward-looking statements are based on the current beliefs, expectations and assumptions of Ceragon's management. Examples of forward-looking statements include: projections of demand, revenues, net income, gross margin competitive pressures, order timing, growth prospects, and other financial matters. You may identify these and other forward-looking statements by the use of words such as "may", "plans", "anticipates", "believes", "estimates", "targets", "expects", "intends", "potential" or the negative of such terms, or other comparable terminology. These forward-looking statements are subject to risks and uncertainties that may cause actual results to differ materially, including the risk that the results of our accounting close for the 2019 second quarter will not be as anticipated; risks relating to the concentration of a significant portion of Ceragon's expected business in certain geographic regions and particularly in India, where a small number of customers are expected to represent a significant portion of our revenues, including the risks of deviations from our expectations of timing and size of orders from these customers; risks associated with any failure to effectively compete with other wireless equipment providers; the risk that we will be unable to extend our competitive strengths in India to other geographic areas because of market differences and other factors; and other risks and uncertainties detailed from time to time in Ceragon's Annual Report on Form 20-F and Ceragon's other filings with the Securities and Exchange Commission, that represent our views only as of the date they are made and should not be relied upon as representing our views as of any subsequent date. We do not assume any obligation to update any forward-looking statements.*
