

# Strong Women Strong World

**We celebrate men around the world who protect, nurture and advocate for the women and girls in their lives.**

**These strong men are creating a better future for all of us.**

**Happy Father's Day.**

Research shows that societies with greater gender equality experience faster economic growth, better outcomes for children, and more representative government institutions. [Learn more about World Vision's work to promote gender equality here.](#)

Meet Mohammad Farukuzzaman, he serves as a teacher and community advocate in Bangladesh, helping to protect his female students and other community girls from human trafficking, early marriage, and other forms of violence, abuse and exploitation. [Read his story here.](#)
