HighPoint Solutions recognized as **Informatica's Top Healthcare Partner at Informatica World 2017** conference in San Francisco

East Norriton, PA – June 22, 2017

HighPoint Solutions (HighPoint), a consultancy dedicated to serving the life sciences and healthcare industries, received the **Informatica® Healthcare Partner of the Year Award** at the annual Informatica World conference held in San Francisco, May 15-18, 2017. The award recognizes the healthcare-focused Informatica solutions provider or partner that has excelled and achieved the most outstanding performance on a global scale in the last year.

"We are exceedingly pleased to be formally recognized as Informatica's 'go to' partner in the healthcare space. HighPoint's focus on healthcare and life sciences enables us to best position Informatica's leading Enterprise Cloud Data Management offerings to allow our payer and provider customers to fully leverage their data as meaningful and actionable information to improve the cost and quality of healthcare," said Jim Slubowski, Senior Vice President, Healthcare.

"HighPoint continues to develop innovative solutions utilizing Informatica's Enterprise Cloud Data Management solutions to help healthcare organizations unleash the disruptive power of data. Combined with a steadfast focus on solving the unique problems of healthcare companies, HighPoint has earned recognition as one of the most innovative companies in our global ecosystem of partners," said Rodney Foreman, Senior Vice President, Worldwide Partner Ecosystem, Informatica.
