

TandoStone™ Brick delivers the timeless look of brick - without having to contend with the labor, time, and cost value challenges associated with masonry:

- **No additional subcontractors** needed
- **Easy/one person** installation by any contractor
- Installs in a **fraction of the time** of stone/stone veneer - in any kind of weather
- **Impervious to moisture** making it perfect for ground contact and roofline applications
- **TandoStone** is the **best cost/value** offering in the stone/stone veneer category
