The Caregiver Support Bundle

Navigating the unfamiliar medical, legal, and emotional issues of caregiving can be overwhelming, especially while working full-time. Working caregivers can more easily manage all their responsibilities with the combined benefits of a web-based platform, companionship and task assistance service, and legal document creation service.

- ▶ The **Connected Caregiving** portal keeps caregivers organized with one place to store medical information, update family, and attend live education webinars
- ▶ **Care Companions** can help take some of the load off caregivers' plates by providing companionship and assistance with household chores, transportation, and more
- ▶ Caregivers can avoid additional legal costs by creating high-quality wills, living trusts, power of attorney, healthcare directives, and more through the **LawAssure** system

Connected Caregiving by Alaska ("love" in Swedish) is a web-based platform for storing vital medical information, coordinating with care team members, sharing updates with family, and participating in virtual support groups and education webinars. Caregivers also receive unlimited email support from professional patient advocates.

Care Companions by Papa helps alleviate caregiver stress by providing companionship and assistance with transportation, household chores, technology lessons, and more. Papa Pals are thoroughly vetted and can be requested by phone or mobile app.

With LawAssure, employees can access and create high-quality, personalized legal documents, ensuring employees get the help they need while saving hundreds of dollars in attorney's fees. Available documents include wills, living trusts, power of attorney, divorce paperwork, and more.
