

VISUAL DESIGNER

ABOUT THE DIVISION: XUMO DESIGN

XUMO seeks to delight users by connecting them to great content that speaks to the TV fan in all of us. Building a personalized television experience based on our intelligent, in-house recommendations engine, allows XUMO to bring premium content from the world of news, sports, entertainment and pop culture, direct to the user on their terms. XUMO has developed a brand new way for consumers to enjoy the television they love, and for content owners to stream live or on-demand content right into their fans' households. The first software-based TV platform, XUMO has successfully combined live TV and video-on-demand into one, easy-to-use experience that is free to access, stream and use. XUMO is available on multiple streaming platforms including LG, VIZIO, Panasonic and Samsung smart TVs, Roku and mobile devices.

XUMO is looking for a talented visual designer to join our exceptional design team and contribute to all aspects of the design lifecycle, from concept to wireframe and high-fidelity visual design. This is a unique opportunity for an experienced professional with exceptional communication skills, a passion for television and/or streaming media, and a desire to develop well-rounded visual concepts for product innovation at the intersection of the entertainment media and technology industries. This candidate should also have a keen eye for marketing materials and demonstrate an adept ability to produce high quality work on tight timelines.

DUTIES AND RESPONSIBILITIES:

- Assist with the end-to-end design process and help advance the product strategy with the product team.
- Create production assets in alignment with design guidelines.
- Assist marketing team in concept and deliverable of promotional assets to be used on and off-platform
- Create graphics in support of channel partners and on-going programming promotions so as to drive awareness of both channel partner and XUMO with an eye to optimizing for consumer adoption
- Working with internal teams and client teams to help design and build user-friendly interfaces based on functional specifications

ESSENTIAL SKILLS AND EXPERIENCE:

- Demonstrated mastery of the following programs:
 - Sketch or Figma
 - Photoshop and Illustrator
- Proactive worker/self-starter
- Strong communication skills
- Strong organizational skills
- Obsessed with user-centered design practices with a keen eye for detail
- Familiar with online streaming brands
- Ability to adhere to working design principles and brand guidelines

REQUIRED MATERIALS:

- Resume/CV
- Link to portfolio featuring examples of UI and graphic design work

ABOUT XUMO
