AIMS Announces Partnership with Crofts & Saunders, LLC

Crofts & Saunders, a Winston-Salem-based machine tool sales and metrology product distributor, is now the exclusive distributor for AIMS Metrology CMMs in West Virginia, Virginia, North Carolina and South Carolina. Crofts & Saunders will feature [AIMS Revolution LM](#) and [HB](#) CMMs. [Read more.](#)

AIMS at SOUTH-TEC

AIMS will join distributor Crofts and Saunders at SOUTH-TEC, October 24-26 in South Carolina. Visit booth 1719 to see the HB 5.9.4 in action.

Take the REVO Challenge

Did you know the REVO probe head can triple your productivity? [Take the REVO Challenge](#) to see what this means for you. Just visit our website, input the number of parts you measure and how you measure them. We'll do the rest – and you'll see just how much you can save.

AIMS is ISO/IEC 17025:2005 Certified

We're pleased to announce we are ISO/IEC 17025:2005 certified by the ANSI-ASQ National Accreditation Board. Why did AIMS obtain this rigorous certification? Robert Miller, quality manager and applications engineer for AIMS, says, "We are a customer centric organization. Earning accreditation allows us to satisfy quality system requirements our customers need in order to meet their own standards." For more information, [contact us today.](#)
