Spring 2017 Newsletter

AIMS at EASTEC

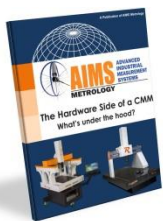

AIMS will be exhibiting at EASTEC May 16-18 in

Massachusetts. Visit booth 3245 for the latest in 5-axis technology. We'll be showing off the HB Shop Floor CMM (below) and the Linear Motor CMM.

All machines purchased at EASTEC will be eligible for a one-year warranty extension at no cost to you.

New Ebook Available

AIMS just released the ebook *The Hardware Side of a CMM: What's Under the Hood?* [Visit our website](#) for your free copy today. You'll find a purchasing checklist and more.

ABLE Machine Tool Open House

In conjunction with EASTEC, AIMS Metrology distributor ABLE Machine Tool will be holding an open house – and you're invited. Visit ablemts.com to register, and see our CMMs in action.
