

# Meet DAVO.

Never worry about sales tax again.

# What is DAVO?

DAVO Technologies has pioneered Daily Fractional Funding (DFF), an automated process that helps merchants manage their cash. All DAVO apps use sales data from the merchant's Point of Sale (POS) or accounting system to automatically set aside a fixed dollar amount or percentage of sales daily. Today, DAVO apps can be found on all leading cloud based POS systems and accounting software marketplaces by simply searching the word DAVO.

**DAVO earns your business everyday.**

No long term contracts. Cancel anytime.

## DAVO Sales Tax

**Automatically Collects, Files & Pays Your Sales Tax**

## Now the magic begins.

Using the sales data from your POS, DAVO knows how much sales tax you collect daily and securely transfers the exact amount of sales tax from your bank to DAVO's secured tax holding account.

Every morning you will receive a validation email from DAVO telling you how much sales tax you collected and how much is being set aside. You will never worry about having enough money set aside to pay your sales tax again.

When your sales tax is due, monthly or quarterly, DAVO seamlessly files and pays it on-time and in-full. You will never have to worry about:

- a large payment
- forgetting to file and pay
- penalties or fines for filing late

Thousands of merchants use DAVO to stay sales tax compliant and grow their businesses. If you have state, county, city, parish, lodging, food & beverage or any other special consumption tax, DAVO's daily fractional funding can work for you.

Owe back sales tax? DAVO can manage this too. DAVO Sales Tax will keep you current, and other DAVO apps can help get you caught up and on the road to success and growth.

## Who uses DAVO?

**Accountants** looking for a better way to help their clients manage their cash and be sales tax compliant.

**Banks** looking for a way to ensure their lending customers can repay their loans and avoid closure due to non-payment of sales tax.

**Merchant service providers** use DAVO to provide a simple solution to a merchant pain point leading to stronger relationships and increased merchant retention.

“**This is the best app I have used so far in my business. We are only 10 months old and still very much a struggling small business. Taxes have been the bane of my existence! Your product makes my life a million times easier.**”
