

Sensory Friendly Holiday Event

The Grinch

FISHER | TITUS

You're invited to enjoy a special holiday event which includes cookies, photos with Santa and a Sensory Friendly Showing of *The Grinch*. Fisher-Titus Pediatric Therapy, Fisher-Titus New Beginnings Pediatrics, Fisher-Titus Behavioral Health, and Fisher-Titus Women's Health (Dr. Kristin Kruse) will all be present.

This special event is modified so that children on the autism spectrum and with other disabilities will not become overstimulated or overwhelmed.

Features Include:

- No loud holiday music
- Sensory break areas for any who are scared/anxious
- Movie side lights left on and sound turned down
- Ability to get up, talk, dance and move during the movie
- Photo opportunities with Santa and *The Grinch* himself

Remember to bring your camera to get the perfect photo with Santa!

For more information, call
(419) 660-2117 ext. 3040

Admission for this event is FREE!
