

BIO Business Solutions[®], BIO's cost-savings program, has partnered with industry-leading suppliers to offer discounted products and services to BIO and MassMEDIC members. BIO Business Solutions[®] enables more than \$161 million in savings annually to over 2,900 companies of all sizes.

BIO Business Solutions[®] has selected the Chubb Group of Insurance Companies ("Chubb") as its endorsed insurer due to their total insurance solutions for risks specific to life science companies. Chubb's products include property and casualty, product liability, clinical trial liability, errors and omissions liability, and professional liability insurance. Chubb personnel specialize in the biotech market; they understand the issues and develop tailored solutions. This experience and expertise, coupled with financial strength, global capability and superior claims service, are the reasons BIO selected Chubb as its business insurance solutions provider.
