EAST MORICHES, NY – One day can change everything – you, your outlook, your heart, your mind, your family, your life, and your eternity. That's why South Bay Bible Church celebrates Easter every year.

Easter services will be on Sunday, April 1, at 8:00, 9:30, 11:00, and 4:00, South Bay Bible Church, 578 Montauk Highway, East Moriches. Spring is the perfect time of year for new beginnings and fresh starts, and Easter is all about positive change in people's lives.

South Bay is featuring a new teaching series this Easter: *Losing Your Religion?: What If You've been Looking for God in All the Wrong Places?* Religion can get pretty strange pretty quickly. Mystical. Superstitious. Legalistic. Judgmental. Hypocritical. But religion isn't going away.

The human race has an insatiable curiosity regarding the divine. Since the beginning of time, men and women have established elaborate rituals and traditions in an attempt to bridge the gap between the seen and the unseen; between the sacred and the secular.

And while each of these systems provided formulas for communicating with and securing the blessings of a particular deity, none provided the one thing humankind most desires—assurance. But with the birth of Christianity, all of that changed too.

In this 4-part message series, Pastor Hawley explains how the message of Christ serves as the fulfillment of religion. Visit South Bay this Easter and get some lasting change in your life.

As a non-denominational Christian church, South Bay Bible Church was started in 2006 with the mission to lead people into a growing relationship with Jesus Christ. The church is dedicated to creating environments where people are encouraged to pursue intimacy with God, community with insiders, and influence with outsiders.
