South Bay Bible Church Launching New Online Starting Point Group on Jan 14

South Bay Bible Church is excited to announce the launch of a new Starting Point Group on Jan 14. It is a conversational small group where the curious can find answers to questions about God, life, and faith.

EAST MORICHES, NY – God. Life. Faith. What’s the point? Make time to find out at Starting Point. On Thursdays at 7:00 p.m., starting January 14, South Bay Bible Church (578 Montauk Highway, East Moriches) will launch a brand-new, 8-week, conversational, small group specifically designed for people who are curious about God, have a new relationship with Jesus, or are returning to church after being away for a while. This group will be our first to be done completely online using Zoom, and we are excited for the many ways in which God will bless this new format.

“It’s a place where your opinions and beliefs are valued, and no question is off-limits,” said Martin Hawley, senior pastor.

You do not need to know anything about the Bible or the church to participate. Starting Point is a safe and pleasant environment to ask questions about God, life, and matters of faith. It was developed to meet people right where they are. It is a conversation where people can explore faith and experience community.

It is perfect for seekers - people who do not identify as a Christian but are curious about God, Jesus, the Bible, or Christianity. It is excellent for starters - people that are new to a relationship with Jesus Christ and are looking to build a solid foundation for their faith. It is ideal for returners - people that have a church background but have been away for a while.

Starting Point is a place where no question is off limits, conversation is encouraged, and seekers, starters, and returners are empowered to join each other on their faith journey. Join us on Thursdays at 7:00 p.m., starting January 14. Your curiosity deserves the conversation! Register at www.SouthBayStartingPoint.com by January 4, 2020 to assure you have your workbook in time.
