One bad decision can take years to overcome. Visit South Bay Bible Church and learn how to make the most of every opportunity in this new four-part series.

EAST MORICHES, NY – Time moves faster and faster the older we become. In fact, life is far too short to make foolish decisions. One bad decision can take years to overcome. That’s why South Bay Bible Church, 578 Montauk Highway, East Moriches, is beginning a new series, *Opportunity: Today’s Decisions Tomorrow’s Realities*, on National Back to Church weekend – Saturday, September 14, at 5:00 p.m., and Sunday, September 15, at 9:00 and 11:00 a.m.

If you’re not sure how to get where you what to go, ask someone who’s been there. If you heed the advice, chances are ... you’ll be glad you did!

“Wise and discerning people understand today’s decisions become tomorrow’s realities,” said Martin Hawley, senior pastor. Visit South Bay Bible Church and learn how to make the most of every opportunity in this new four-part series.

1. **Labels People Place on Us** – September 14-15: Labels are powerful things. The labels people put on you could cause you to miss God’s plan for your life. We all wear labels. Many of the labels we wear were placed on us by others - parents, siblings, friends, teachers, coaches, or coworkers. But what if we're carrying around the wrong labels? Who has the right to label you? Who are you going to allow to label you? Who knows best how to label you? Labels create expectations and expectations influence the direction of our lives.
2. **Today's Decisions Tomorrow's Realities** – September 21-22: Get out of debt, stay out of bed, and clean out your closet. You'll be glad you did ... Or you'll wish you had. Today's decisions become tomorrow's realities. Wise and discerning people understand that. They choose to live as if life is connected, as if each decision matters. That's because they know that their present becomes their past that shapes their future. In each season of life, we make decisions that shape what our lives look like in the next season.
3. **Marriages that Pray Together** _____ . – September 28-29: Couples who pray together are more likely to stay together. No one likes to be wrong. No one likes to be told what to do. But insisting you're always right isn't a recipe for a great marriage.

Great marriages are built on humility . . . on the willingness of both spouses to submit to each other and to God. But how do you do that? It all begins with prayer.

4. **Investment Opportunity** – October 5-6: The longer you live, the more you'll have to give. Invest your time in those coming along behind. The value of your life is determined by how much of it you give away. Our culture says life's value is found in what we achieve or what we accumulate. But those things eventually fade away. We each have a treasure chest full of life experiences that will die with us unless we become intentional about distributing our wealth. The value of your life is found when we share those experiences.
