South Bay Bible Church Announces New Sermon Series: Success: Get Everything You *Really* Want

On National Back to Church Sunday, September 16, South Bay Bible Church will begin a new sermon series entitled “Success: Get Everything You *Really* Want.” We get what we *really* want when we pursue what is of greatest value.

EAST MORICHES, NY – Getting what we want is tricky for a lot of reasons. On Back to Church Sunday on September 16, at 9:00 and 11:00 a.m., South Bay Bible Church, 578 Montauk Highway, East Moriches, is beginning a new teaching series entitled *Success: Get Everything You Really Want*.

What do you want? Is it a what? Perhaps it's a who. Maybe it's a state of mind. Are you sure it's what or who you *really* want? Did you know you'll never get what you *really* want until you discover what you *really* value?

“In this series, we’ll discover, we get what we *really* want when we pursue what is of greatest value,” said Martin Hawley, pastor.

In addition to the launch of *Success*, South Bay is celebrating “Back to Church Sunday,” which is part of a national movement of churches across America. Everyone is welcome to attend and invited to a free lunch catered by LaVolpe Restaurant after the 11:00 a.m. service.

In this four-part study, Pastor Hawley reveals how to get success and everything you really want in life.

1. Do You Know What You Really Want? – September 16: If you don't know what you *really* want, you'll probably end up with *exactly* what you don't want. We all have wants. But actually getting what we want can be tricky . . . and even dangerous. It usually leaves us wanting more. If what we want leads to a cycle of wanting more and more, maybe we want the wrong things. So, what do you *really* want?
2. Choose Wisely – September 23: What we naturally want is rarely what we ultimately want. We'll never get what we really want until we discover what is most valuable. But choosing what's valuable isn't natural. We've all had the experience of getting what we naturally want, only to discover it's not what is most valuable—it's not what we ultimately want. But how do we avoid being deceived by our short-term desires?
3. Last Things First – September 30: Discover what you value, value what you discover, and don't be surprised if you discover God in the process. What do you want? What do you really want? We'll never get what we really want until we discover what is most

valuable. And what we naturally want is often in conflict with what we ultimately value. So, in order to figure out what you really want, you have to figure out what you value.

4. Think It Through – October 7: We get what we really want when we surrender to what God really wants for us. What you naturally want is often in conflict with what you ultimately value. But your heavenly Father knows what you need. He wants for you what you really want. So, how do you put aside those natural wants and pursue what you ultimately value?
