South Bay Bible Church Announces New Sermon Series “War & Peace: Finding the Way to Peace in Troubled Relationships”

Starting Saturday, March 7, South Bay Bible Church will begin a new teaching series entitled “War & Peace: Finding the Way to Peace in Troubled Relationships.” In *War & Peace*, one will discover practical solutions to restore harmony in the most challenging relationships. It is possible to have genuine reconciliation and make the relationship stronger than before.

EAST MORICHES, NY – Everyone experiences conflict. Few know how to find peace again and make troubled relationships stronger than ever before. Join us at South Bay Bible Church, 578 Montauk Highway, East Moriches, starting Saturday, March 7, at 5:00 p.m. and Sunday, March 8, at 9:00 and 11:00 a.m. for War & Peace.

In this five-part study, Pastor Hawley will identify the common pitfalls in relationships and provide practical solutions to restore harmony. Changing the way we deal with conflict can lead to genuine peace and reconciliation in your harshest exchanges.

“Peace at home, work, with family, friends, and even enemies is not only possible but closer than you might think,” says Martin Hawley, pastor. “These messages of hope will help you find the way to peace in the most challenging relationships.”

This series comprises the following messages:

1. God’s Priority & Our Priority – March 7-8: There's one thing that destroys relationships more than anything else. It's the same thing at home, work, with friends, or casual acquaintances. If you get this one thing right, you will be far ahead of most when it comes to peaceful relationships.
2. Get the Log Out – March 14-15: When things get heated, people are naturally quick to judge the actions, attitudes, heart, and even intentions of others. Following this one principle will ensure you have the right heart from the start.
3. Confessing Sin – March 21-22: There's one approach that brings refreshment in almost every conflict, but we're usually not very good at it. Learn seven things that will change your entire approach and provide you the best chance of restoring peace and harmony in your relationships.
4. Forgiveness – March 28-29: Sometimes, relationships are so destroyed and offenses so severe there is only one thing left to do. When you get this one thing right, it changes everything!
5. Getting Help with Conflict – April 4-5: When you're in over your head, there is an unexpected resource that just about everyone overlooks. Even if you know it exists, pride and fear often play a significant role in keeping you from getting the help you need. When you push through, however, you will succeed in any conflict.
