WHY ATTEND

" ODSC is the best community data science event on the planet. There are other events that cover special topics, or industries, etc., but ODSC is comprehensive and totally community-focused: It's the conference to engage, to build, to develop, and to learn from the whole data science community.

- Dr. Kirk Borne, Booz Allen Hamilton, May 2019

ODSC Europe Virtual Conference offers an entirely new data science learning and networking experience

I can't possibly explain how much I enjoyed the ODSC conference. Many of the talks and workshops exceeded my expectations. Thank you very much and well done!

Batool A.
Research Fellow
*Liverpool, United Kingdom*

I just want to say you guys are doing a great job at handling the switch to virtual and the team is just wonderful making sure every question is answered. Thank you for your work!

Esraa M.
CRM Analyst
*Las Vegas, United States*

It's just wonderful to attend this virtual event with so many people over here. Wonderful Initiative by ODSC. Brilliant Content.

Harshit P.
Software Engineering Analyst
Karnataka, India

GLOBAL ODSC COMMUNITY

Each ODSC conference attracts attendees from a wide range of industries, roles, and abilities. We welcome everyone from data scientists and software engineers to management and executives to ensure a uniquely collaborative environment.

- Software Development 20%
- Finance & Banking 16%
- Healthcare & Biotech 14%
- Retail 9%
- Insurance 7%
- Manufacturing 7%
- Marketing & Media 6%
- Education 6%
- Transportation 5%
- Government 3%
- Consulting 3%
- Energy 3%
- NGO 3%
- Other 8%

LEARN   The latest models, frameworks, tools, and languages.

ADVANCE   Your career by learning new hands-on and in-demand skills

ACCELERATE   The latest models, frameworks, tools, and languages.

DISCOVER   The latest advances in the field and learn valuable tips and techniques

NETWORK   With some of the top speakers, attendees, partners in the field of data science.

FOCUS AREAS

Machine Learning & Deep Learning

Learn the latest models, advancements & trends from the top practitioners behind two of data science's hottest topics .

Research Frontiers

Hear from world-class academics, and researchers as they summarize the latest research across focus areas and detail what's important.

MLOps & Data Engineering

Learn the best practices & stories from the field on how to effectively incorporate data science practices into the business process.

Data Science Kick-start

Learn the essentials to get started on your data science career & connect with top companies hiring data scientists & related roles.

Mini - Bootcamp

Gain in-demand skills in the shortest time with minimum investment. Over a week, you will access an expanse of data science topics on a scale not offered elsewhere.

Data Visualization

Design compelling graphics and tell powerful stories using data. Explore the beauty of visualization brought to you by the world's most creative minds.

NLP

Learn about the latest advancements & trends in NLP, including pre-trained models, with use-cases focusing on deep learning, speech-to text, and semantic search.

R for Programmers

R for Programmers Talks, workshop, and hands-on training for R programmers including sessions around machine learning, deep learning, data visualization, and workflow.

Past ODSC Europe Speakers

Manuela Veloso, PhD
World Renowned AI And
Robotics Expert
J.P. Morgan AI Research

Michael Wooldridge, PhD
One Of The Leading Figures
In AI Research
The Alan Turing Institute

Samik Chandarana
World Renowned AI And
Robotics Expert
J.P. Morgan

Jean Francois Puget, PhD
Twice Kaggle Grandmaster (Ranked #1),
Distinguished Engineer
IBM

Andrej Karpathy, PhD
Director Of AI
Tesla

Daphne Koller, PhD
Co Founder & Co-Chairman
Coursera

Hilary Mason
GM Of Machine Learning
Cloudera, CEO
Fast Forward Labs

Dawn Xiaodong Song, PhD
One Of MIT's "The Top 35 Innovators In
The World Under The Age Of 35
BAIR Lab

Pieter Abbeel, PhD
Professor & Director,
Robot Learning Lab, Co-Founder
Gradescope

Michael I. Jordan, PhD
Cited As One Of The World's
Most Influential Data Scientists
UC Berkeley AI Lab

Rachel Thomas, PhD
One Of Forbes' "20 Incredible Women
In AI, Co-Founder At Fast.Ai
fast.ai

Dr. Jürgen Schmidhuber
Scientific Director,
Professor Of AI
IDSIA, USI

Mike Stonebreaker
A.M. Turing Award Laureate,
Professor, Co-Founder
MIT CSAIL, Tamr

Cassie Kozyrkov, PhD
Global Leader In Decision
Intelligence
Google

Kirk Bornel, PhD
Principal Data Scientist
Booz Allen Hamilton

Regina Barzilay, PhD
Professor,
MacArthur Fellow
MIT CSAIL

2020 SPEAKERS COMING SOON

WHO ATTENDS

Each ODSC conference attracts data scientists, software engineers, analysts, managers & CxOs from many companies. Here are some of the 1,800+ attending companies from Europe 2019. Our attendees have come from notable companies including:

Accenture
Ai Manager

Novartis
Application Development Group Head

AllianceBernstein
Chief Data Scientist

Epsilon
Chief Digital & Innovation Officer

Lloyds Banking Group
Data Scientist

IHS Markit
Data Analytics Associate Director

Expedia Group
Data Architect

DAIMLER
Director Data Engineer

Vodafone Spain
Data Engineer Manager

Schneider Electric
Data Excellence VP

Axa Insurance
Data Exploitation Manager

Boeing
Director Data Science Engineer

Blue Motor Finance
Data Science Manager

Boehringer Ingelheim
Data Scientist Lead

IBM Munich Center GmbH
Data Scientist for IoTr

Santander
Director of Data Innovation

Teradata
Director of Data Science

Amigo Loans
Director of Decision Science

Volterra
Director of Engineering

Deutsche Bank
Director Robotics CoE

Concentra Analytics
Director BI

Publicis.Sapient
Director Capacity Planning

Red Bull
Enterprise Architect

Bain & Company
Expert Advanced Analytics

Barclays UK
Head of Advanced Analytics

VisitBritain
Head of Analytics

Operative
Head of Analytics & AI

Virgin Media
Head of BI & Analytics

Barclaycard
Head of Big Data Platforms

National Audit Office
Head of Data Analytics Research

CNBC
Head of Data and Insight

Worldpay
Head of Data Engineering

CABI
Head of DevOps

Nttdata
Head of Data Science

ODSC EUROPE 2020 VIRTUAL EVENTS

AI Virtual Career Expo

Looking to start or accelerate your data science career? Talk to multiple hiring partners will be seeking talented individuals to fill their open positions.

Virtual Career Lab Talks

Learn at first hand what skills you need to get a rewarded job in data science. Get actionable advice about the best path to a career in AI.

AI Virtual Expo

Interact with the leading AI product providers to find your next AI solution or partner. Learn the latest trends and stay on the top of innovations.

Virtual Demo Talks

Experience in-depth numerous AI technologies, their practical application and how they can fit to your specific business needs.

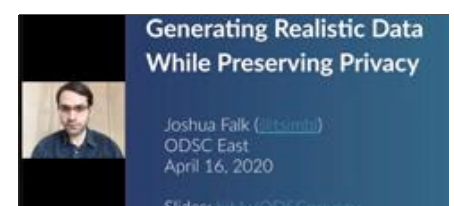

Virtual networking

Connect, and collaborate with data science and AI practitioners, innovators, and speakers across any geographical boundaries.

Meet the experts

Reach virtually some of the biggest names in data science during focused Meet the Expert sessions and get all the answers you may have.
