

## Insurance Claim Support Services

As businesses continue to adjust to life during the COVID-19 pandemic, one area that is of the utmost importance will be the interpretation of insurance policy provisions and whether Coronavirus-related claims will be covered under their existing business interruption policies. From our team of forensic accountants helping to prepare your insurance related claims to our experts in litigation and alternative dispute resolution, our team can help:

### Insurance Claim Support Services:

- » Business interruption claims
- » Proof of loss
- » Lost profits stemming from contractual disputes
- » Financial disputes between companies and agents
- » Post-merger purchase price adjustment claims
- » Bad faith claims

### Specialized Services:

- » Consulting with receivers and liquidators
- » Outsourcing of financial functions for companies in transformation
- » Filing of statutory statements
- » Valuations

### Fraud Services:

- » Tracing and verification of transactions
- » Theft or diversion of assets by both people inside and outside of the company
- » Financial statement fraud
- » Design and review of prevention and detection controls
