The FruitGuys

THE FRUITGUYS WERE FOUNDED WITH THE IDEA TO HELP COMPANIES PROVIDE HEALTHY OPTIONS TO EMPLOYEES DURING THEIR WORKDAY.

We deliver farm-fresh fruit and healthy, clean ingredient snacks to businesses, individuals and schools nationwide, with a priority on green and sustainable processes. We are family owned and much of our produce comes from small farms, delivered the next day in environmentally friendly crates. We have distribution hubs across the United States. Giving back to the communities in which we operate is a founding principle of our company, and through our GoodWorks program, we focus on projects that support healthy communities, encourage organic and sustainable farming practices, and promote long-term environmental stewardship and economic well-being. In 2017, we donated more than 1 million lbs. of fruit to those in need – that's more than 2 million servings!

IdeaPaint

IDEAPAIN IS DRY ERASE.

Our signature product, a high-performing dry erase paint, transforms virtually any smooth surface into a dry erase canvas, giving people the space they need to fully explore their big ideas. Aside from our white formula and clear formula, we offer two magnetic options that transform your entire wall into a high performing, seamless, magnetic and dry erasable surface. We also launched a line of furniture (mobile whiteboards on wheels). The magic of our solution lies in its ability to transform passive space into active environments—to spur the collaborative spirit that lives within all of us, and accelerate ideation for better, faster results. IdeaPaint encourages people to get on their feet and work together.

Set-up is very easy and streamlined: we will schedule an initial call with the point person at the prospective partner; we will discuss program implementation options and timing; based on an organization's needs and logistics, we will schedule a program. Programs can be scheduled as quickly as within 3-weeks of the initial conversation or can be schedule up to 9-months in advance.

HEALTH & WELLNESS

15-40 Connection

15-40 CONNECTION IS A NONPROFIT THAT PARTNERS WITH ORGANIZATIONS TO DO FREE, EDUCATION PROGRAMMING FOCUSED ON TEACHING PEOPLE HOW TO DETECT CANCER EARLY.

Our program is designed to get people thinking creatively about how to better monitor their personal health and address health changes promptly and effectively. To do this, we deliver our flagship product - a 45-minute lesson plan that leverages a skills-based health program - to teach people how to detect cancer early, by focusing on three main topics: 1. How to set benchmarks for your health 2. How long to wait if/when you notice a health change 3. How to work proactively with a health care provider as an empowered patient. The programming can be delivered via in-person presentations (depending on location) or live webinars and our flexible programming model allows us to design a program and presentation that meets the needs of the partner organization.
