

Rapid Response Space Solutions

*A Part of your
Emergency
Preparedness
Plan*

This company was up and running fast with a Wilmot Modular Corporate Campus after a water main break suddenly shut down their headquarters.

Fires, floods and threats of terrorism and bio-terrorism have brought great challenges to Facility Planners. You must not only look at how to secure your premises and personnel but also how to maintain business continuity.

Modular Buildings are the choice for many businesses needing cost-effective, quality facilities— fast!

Wilmot's [Rapid Response Program](#) saves you the worry of finding space fast at a time of disaster.

RAPID RESPONSE SPACE SOLUTIONS ...

Our Team Is On Your Team

An emergency preparedness plan is an important tool for Facility Managers. But, all too often, time doesn't allow for a comprehensive preventive analysis of the essential square footage, equipment and personnel needed to keep your company running when the headquarters are impaired.

Wilmot is your source for modular structures that can range from "Hot Sites" that are fully functioning sites scaled for emergencies, to the reassurance of just knowing that space can be rushed to you in your time of need.

Our Space Planners are well known and respected for their excellence in customer service.

Our team is on your team!

What Wilmot can offer:

- **24/7 On-Call Space Planners**
- **24 Hour Response to an Emergency Space Requirement when signed up for our *Emergency Plan Program***
- **Fully wired and Ready for Occupancy**
- **Climate Controlled for guaranteed year round comfort**
- **Emergency Ground-level storage containers to secure critical property**
