Your Healthcare at Home.

Why VNA of Ohio Home Health?

Helping patients regain independence, VNA of Ohio's home health services are designed to help one recover from injury, surgery, and/or managing a chronic condition.

Using a team approach, our dedicated healthcare professionals partner with every patient and family, physicians and caregivers to ensure a coordinated continuum of care, wherever one calls home.

What Makes Us Different?

It is our goal to ensure the best experience for every patient.

Developing a plan of care to meet each individual's needs, home health services help patients stay healthy, out of the hospital and thriving.

The VNA of Ohio Home Healthcare team, including registered nurses, licensed practical nurses, social workers, rehabilitation therapists and home care aides, is dedicated to helping patients recover and achieve health and independence at home.

VNA of Ohio Home Health Services

VNA of Ohio Home Health Services are personalized to each patient and their needs. Services include:

For individuals who have been diagnosed with a life-limiting illness and wish to continue curative treatment, VNA of Ohio's Special Care program is designed to support you and your family's needs.

About VNA of Ohio

Visiting Nurse Association of Ohio provides high-quality comprehensive home health and hospice care to promote health, independence, and dignity to those living in the communities we serve.

Founded in 1902, the organization has built a legacy for helping individuals and their families as they experience a health related situation. Today, we continue to provide expert services that will allow individuals to remain in the comfort of their homes.

"VNA of Ohio provided the care, resources and information so when my grandmother is ready; she will be empowered to do what she needs and wants to do."

"I look forward to seeing my nurse. She brings me comfort and support, and I don't know what I would have done if I didn't have her."
