

April 3, 2020

Dear Team Concord:

As we continue to work through these challenging times, we must look forward to the positive outcome that will result from the effort of everyone in Concord.

A special thanks to all our Contra Costa First Responders and the risks they take every day to keep us safe. We must also remember our hotel teams and thank them for their support.

In short, take care of your family, friends and neighbors. A helping hand will be remembered as we continue to build a stronger community together!

Chris Mellini, General Manager, Concord Crowne Plaza Hotel
