

Sell your packages & memberships on ClassPass

Thinking about ways to earn more revenue, grow your community and see more of your ClassPass visitors? Sell your packages directly through ClassPass.

By listing your class packages you can:

Drive more revenue

Merchandize – and monetize – your packages without additional tools and marketing

Build your loyal community

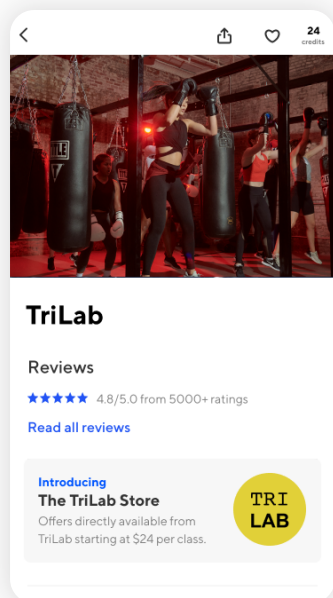

Get your packages directly in front of the people who love your business most

Sell directly with less work

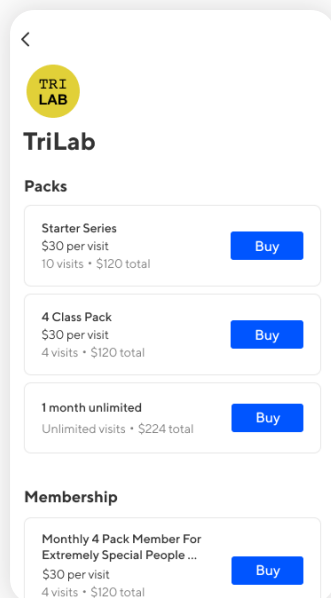

ClassPassers can easily find your package whenever they're ready to buy

Here's how it works:

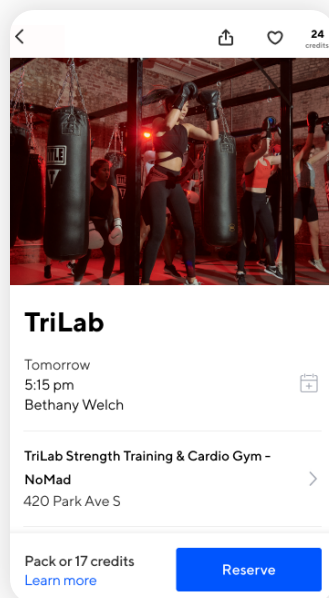

1

Add packages you want to sell to your Partner Store page

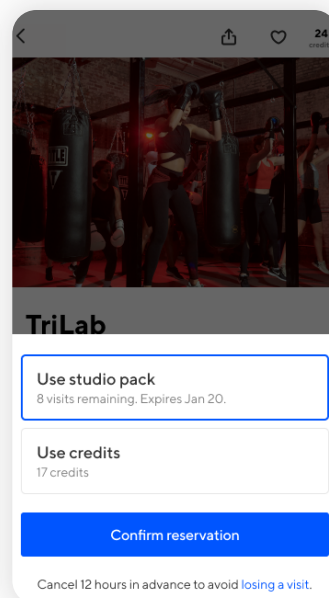

2

ClassPass users can view and buy your packages, and you get paid on your payment schedule

3

Packages are added directly to a user's account

4

They can book using their ClassPass membership or their package
