CAB-040 with
Drawer Lock

Your practice will shine with the addition of a new treatment cabinet. Our line of cabinets meet the functional needs of practitioners, with ample storage plus 55° lift back and 45° split leg options. The CAB-040 model is our modality treatment cabinet, a three section cabinet with four hinged doors and one full extension center pullout that places modality equipment and tools at your fingertips. Apply custom branding to the top and to the cabinet exterior.
