## DUMB WON BIO

Dumb Won! is the pen name for artist Paul S. Heath. The name embraces the concept that even the dumbest ideas can win! Dumb Won! paints and illustrates on a range of textured surfaces and collected fabrics. Some of the themes include coffee drinking monkeys, smoking cats and a young man throwing up flowers appropriately called "puking beauty." Dumb Won! also creates limited runs of prints, shirts and mugs for drinking coffee!

*"I've done several mug runs with DiscountMugs. They always provide great quality and a timely turnaround. Thanks!"*

# TESTIMONIES

## JORDAN FOLEY & THE WHEELHOUSE BIO

Ever since I was a toddler, I found myself jumping up onstage to entertain everyone and anyone who was paying attention. It's my happy place and my solace. There truly isn't anything quite like it. Jordan Foley & The Wheelhouse is my band, and I'm confident in the sound/live performance we are developing. A handful of practices and successful shows are all we need to see our project take flight!

*"We have shirts! You better believe they'll be with us for sale at our shows this week and beyond. Huge DiscountMugs for getting these done so quickly."*
