# LETTER OF WISHES

[#insert your full name here]

# LETTER OF WISHES

TO:

 The Trustees of my estate, any Trust in my Will and the controllers of any entities in the **[#insert your surname here]** Group

**(Trustees)**

RE: My wishes on death or incapacity

## 1 ACKNOWLEDGEMENT

---

I, **[#insert your full name here]**, confirm as follows:

1. I have executed what I believe to be my last will **[Will]** at the date of this letter of wishes and acknowledge that my Will determines the way in which my estates will be distributed on death.
2. This letter of wishes in no way revokes or changes the provisions of my Will.
3. While the attached letter of wishes does not, and cannot, change the provisions of my Will, I **EXPRESS THE WISH** that my trustees have due regard to these wishes when administering our estate and controlling the other entities in the **[#insert your surname here]** Group.
4. While the following document summaries my broad wishes as at the date of signing my Will, I acknowledge that the circumstances at the date of my death may have changed and I realise that my trustees will have the ultimate ability and discretion to make their decisions in accordance with the provisions of my Wills, regardless of the wishes set out in this letter or any further letter of wishes I may prepare.
5. This communication to my trustees is to be regarded by them as privileged. Copies should not be given to anyone other than professional advisers unless my trustees decide otherwise or a Court directs. This paragraph may be quoted to anyone who requests a copy of this letter.
