

**trueITpros, LLC** is a leading MSP (Managed Service Provider) to the Atlanta, Georgia business community. In addition to MSP services, the firm also provides IT Services, Website Development, Hosting and Maintenance and Online/Offline Marketing Services. **trueITpros** highly-trained engineers become a core part of a client's business team, and a turn-key source for all of the client's IT needs. The firm's "white glove" service engenders strong client loyalty – annual customer attrition is less than 5%. Growth is strong and recurring revenues comprise over 50% of total revenues.

**trueITpros, LLC** is excited to announce its acquisition by an entity formed by Mr. Dennis Alferyev. Mr. Alferyev has an extensive background in business software development and in security and alarm monitoring systems in both the commercial and residential markets. Mr. Alferyev has a degree in economics and accounting from Saint Petersburg State Forest Technical Academy in Russia as well as an MBA from Valdosta State University in Georgia.

**Prime Investments Business Brokers** acted as intermediary in the transaction.. With offices in Ft. Lauderdale, FL, Atlanta, GA and Potomac, MD, Prime Investments provides M&A and Business Broker Advisory services to business owners throughout the mid-Atlantic and Southeastern states and beyond. Prime's "no up-front fee" business model, unusual in the M&A industry, has proved attractive to business owners throughout its market.
