

Onco *diagnostic services*

Ms. Helen Kim, President of Onco Diagnostic Systems, Inc., is excited to announce the sale of her company to Onco Diagnostic Services, Inc., a corporation formed for the purposes of the acquisition.

Onco Diagnostic is an independently owned, pathologist directed, anatomical pathology and cytology laboratory. **Onco Diagnostic's** services are provided to physician offices, family planning clinics, reference laboratories and cancer programs

affiliated with community health departments throughout the Mid-Atlantic States.

Onco Diagnostic's services include:

- OB/GYN Pathology
- Cytopathology
- Surgical Pathology & Consultations
- Dermatopathology
- Immunohistology
- Special Stains
- HPV testing
- DNA/Chlamydia Testing
- DNA/ Gonorrhea Testing

Onco Diagnostic has earned an excellent reputation by providing clients with timely and accurate pathology reports and by performing to the highest ethical standards. The principals of the purchasing entity had prior ownership interest in medical laboratories and plan to maintain Onco's high standards while to expanding both the range of services offered and the geographic locations served.

Prime Investments Business Brokers acted as intermediary in the transaction. Prime Investments is a leading M&A Advisory firm in the Maryland, Virginia, Washington DC, Pennsylvania, Georgia and Florida markets. Prime's unusual "no up-front fee" business model takes the risk out of selling. Prime earns it's "success fee" only when the business sale actually closes – not before.
