MEMBERS ON OUR KEY INSIGHTS THOUGHT LEADERSHIP PROGRAMME

Throughout our work, we've uncovered the most effective procedures, techniques, and methodologies for effectively delivering SAP Security and GRC solutions. We proactively share this knowledge through our Key Insights programme

Faster emergency access to the system

‘Improved the turnaround time for emergency access requests by 200%.’

Scott Waller, A Global Petrochemical Company

HOW

WE

WORK:

- RISK MANAGEMENT
- ACCESS CONTROL
- PROCESS CONTROL
- IDENTITY MANAGEMENT

**Turnkey put the interests
of their clients first**

‘Turnkey’s approach was
first to understand what
it was that their client
was trying to deliver
from the project.’

**15 minutes taken to allow access
to the system, down from 2-3 days.**

‘Now only takes 15 minutes, instead
of days, to assign a new role.’

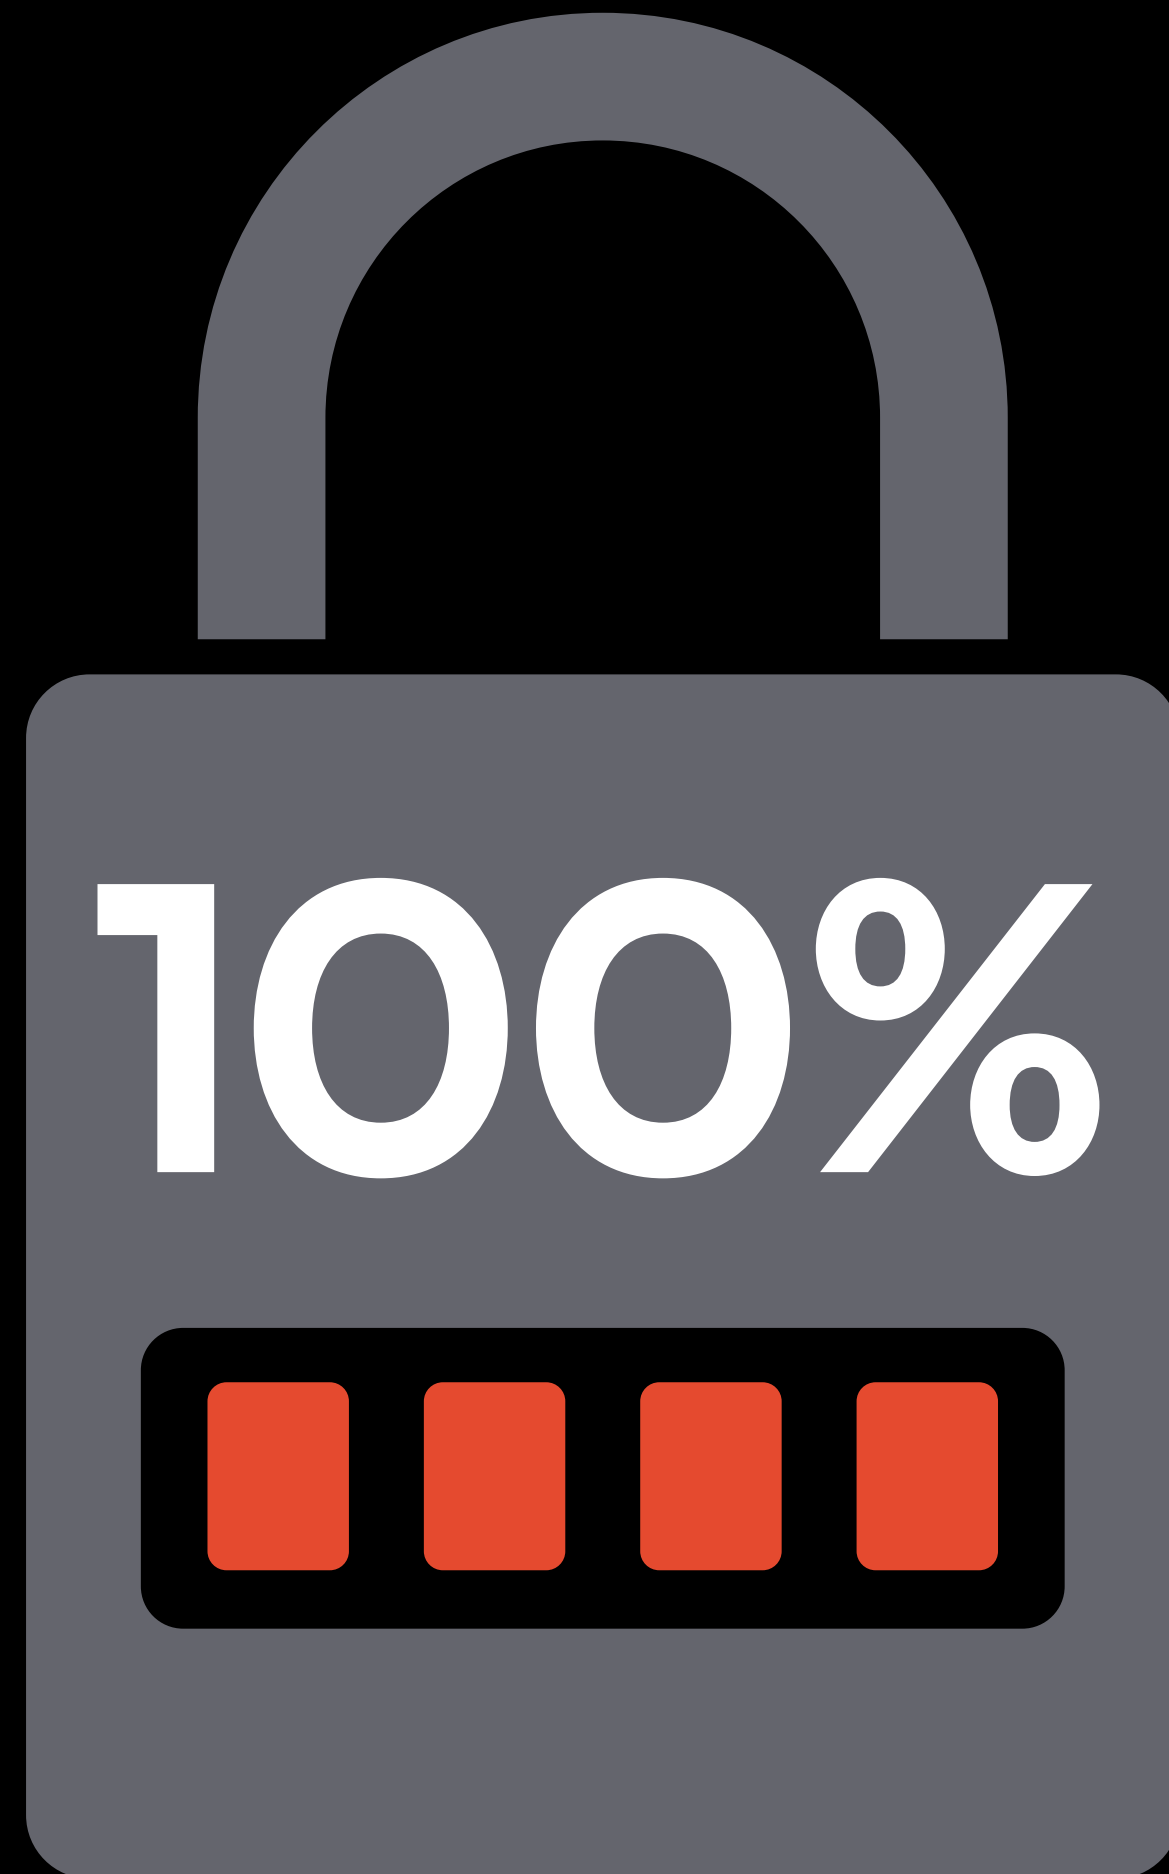

Tobias Cowling, Transport For London

Zero maintenance - almost

‘With the new automated procedures in place there is now close to zero maintenance, with minimised support costs, and complete alignment of access rights.’

A Global Petrochemical Company

All aspects of security covered

‘We have engaged with other organisations in their specialist areas before, but no-one else has provided such a comprehensive service. No aspect of security was left untouched.’

**Sumeer Shoree,
Australand**

FROM

US:

One unified team

‘I’ve really enjoyed working with Turnkey Consulting. I don’t think of them as consultants – I feel like they are part of the team.’

**Roberta Agnelli,
SABMiller**

EFFICIENCY

X2

‘The time it takes to carry out tasks has been drastically reduced as a result of implementing SAP IdM. Without IdM the team would struggle even with two people fully deployed.’

Marek Prachar,
A Major Office Products Supplier

700

‘Once the new roles had been built and tested for SoDs, Turnkey Consulting helped to migrate around 700 Corporate Divisions to their new roles and ensure a smooth transition.’
