

ACQUIRING FLEET MANAGEMENT JUST GOT EASIER!

Save time & money with a cooperative purchasing agency.

Synovia is a nationally contracted member of NJPA, a cooperative purchasing agency. This means we have already satisfied the competitive solicitation requirement. NJPA contracts save you and your agency considerable time and money while eliminating the need to duplicate the solicitation and contracting process.

ABOUT NJPA

NJPA is driven to provide efficient public service through their national contract purchasing program of world class vendors. The common needs of the members and their desire to effectively serve agencies leads their overall efforts to overcome the budget and purchasing challenges in the future.

The general purpose of NJPA is to serve member agencies by facilitating a national municipal contracting alliance. The goal is to provide members with requested programs and services that are created, coordinated and delivered through a cooperative effort between NJPA and member agencies. NJPA is a national organization that creates a business and service relationship alliance between buyers and suppliers. Membership is open to government, education and all non-profit agencies in the United States and Canada.
