

STUDENT PROVIDED ATHLETIC TRANSPORTATION PERMISSION FORM

At Veritas Academy we have many different athletic teams, but limited methods of transportation to and from practice and games. Oftentimes, practices and games are held at facilities other than our own. To this end, it can oftentimes be convenient for student athletes to ride with other student drivers to athletic events. We understand, however, that not all families opt to allow their children to ride with other student drivers. This form allows us to collect the transportation permissions of all our families for athletic-related activities. No student will be allowed to participate in Veritas Athletics unless this permission form has been signed by the parent or guardian and turned in. Notes on unauthorized forms may not be acceptable.
