Song Writing Camp

 Times: 9:00AM-12:00PM
 Cost: \$70
 Grades: Ages 12-14
 Teacher: Juli Strawbridge

In the Songwriting camp I will be encouraging students in their budding creativity by teaching them songwriting basics, doing fun lyric writing exercises, and teaching them how to listen to music in a way that helps them write music. Students may bring their instrument of choice, but may still attend and enjoy the camp if they do not play an instrument, seeing that we will focus more on lyrics, melodies, and songwriting devices rather than chords and music theory. I will work with students cohesively and one-on-one, catering to their specific strengths, weaknesses, and interests. The Songwriting Camp will be a fun way for your child to hone their creative gifts and become more comfortable and capable songwriters.
