# PRINT-ON-DEMAND IN COLOR

EPSON® C3500 COLOR PRINTING SOLUTION

When you need more choices than black and white, high-quality print output, and a compact solution that takes up minimal space, the Epson C3500 is your solution.

Fast, full color printing, available with an auto-cutter, and flexible enough to accommodate a variety of label constructions, the Epson C3500 ensures important data is communicated quickly, effectively and colorfully. Integrated with a un-winder/re-winder system, you can achieve in-house short-run labeling production capabilities.

Features	Benefits
Print speeds up to 4 inches/ second	Increased throughput
Pigment-based ink	Resistant to harsh chemicals & water, smudge-resistant; BS-5609 certified
Efficient ink replacement, as color ink cartridges are individual	Budget dollars spent wisely, no waste
Available with an auto-cutter	Save time and reduce errors when using continuous label stock
Available with an un-winder/ re-winder system	Provides an "in-house" label creation solution for short-run jobs; reduce inventory allocations
Optimal performance with Computype label material	Improved economies from single sourcing
