

INCLIMENT WEATHER - Wintery Weather

- A. The District Emergency Management Coordinator will monitor weather and road conditions and notify the President of their status.
- B. Only the President or his/her designee shall have the authority to cancel classes/work or adjust the times at which they begin, end, or resume.
- C. The Office of Emergency Management will communicate the decision with College personnel with the EagleOne Alert network.
- D. The Public Relations Office will communicate the College's decision with the media as appropriate.
- E. The District Emergency Line (601-857-3584) and the EagleOne Alert web site (<http://eagleone.hindscc.edu>) will provide information regarding closure or delays. Personnel should not call Public Safety to obtain this information.
