Hinds Community College Foundation Scholarships

The Hinds Community College Foundation makes over 500 scholarship awards each year. Foundation Scholarships are awarded for fall and spring semesters only. Scholarship awards are based on classroom excellence, involvement in extracurricular activities, financial need, desire for achievement, and letters of recommendation. Criteria vary per scholarship.

Unless otherwise indicated, scholarships are awarded to full-time students who enroll in a minimum of 15 credit hours by the end of the drop/add period for the semester in which they are enrolled. Minimum grade point average varies but no scholarship is awarded with less than a 2.0 cumulative grade point average.

Students wishing to be considered for scholarships on the basis of financial need should have the results of their Free Application for Federal Student Aid (FAFSA) sent to Hinds CC prior to the February 15 Foundation Scholarship deadline.

Students should not apply for a particular Foundation scholarship. Completed Foundation scholarship applications that are submitted by the deadline will be considered for any Foundation scholarships that are applicable to that particular student. **Deadline to apply and submit requirements is February 15.** Awards are generally made in April or May. Scholarship recipients are selected by the Scholarship Committee, which is appointed annually by the President of the College. Students selected for a Foundation Scholarship will receive a scholarship award packet which includes an award letter, acceptance form, and the specific scholarship criteria.

In order to be considered for a Foundation Scholarship, the following items must be submitted to the Office of Enrollment Services on the Raymond Campus no later than February 15:

1. Application for Admission to Hinds Community College.
2. Application for Foundation Scholarships.
3. Two letters of recommendation from individuals representing school, church, community, civic, work, etc. It is the student's responsibility to make sure their recommendations have been submitted to the Office of Enrollment Services by February 15
4. A typed resume, which includes a list of achievements, honors, extracurricular activities, etc.
5. A copy of high school or equivalency diploma transcript and college transcripts, if applicable. Transcripts submitted for Foundation Scholarship purposes may be unofficial and will not be used for admission purposes. Transcripts should include a current cumulative grade point average of 2.0 or above. If GPA is not listed on an in-progress high school transcript, you must submit a signed High School GPA Verification Form verifying a high school GPA of 2.0 or above. This form is found at the application for Foundation Scholarship webpage.

6. ACT scores (or High School Equivalency Diploma scores, if applicable).

How to Submit Scholarship Requirements

- The Application for Admission and Application for Foundation Scholarship and its requirements must be submitted online.
- *All* scholarship requirements must be submitted by February 15th for consideration. Incomplete application packets will not be considered for awards.

Requirements for students to receive Hinds Community College Foundation Scholarships*:
