

# A VISION FOR LITERACY EDUCATION

THE SCHOOLS WE ENVISION recognize every child's right to grow up literate as a member of a dynamic learning community that values the richness of linguistic, ethnic, and cultural diversity. Members of the school community are treated and treat others with empathy, kindness, and respect. Students are motivated to investigate new ideas that fuel intellectual curiosity and act as powerful agents in their own learning. Because students are fully engaged and feel a sense of joy in their own learning, they achieve a higher level of literacy. Through dynamic literacy education that exemplifies the beliefs and core values described below, students come to understand their physical, social, and emotional world and their roles as informed global citizens—hallmarks of the literate lives they can lead.

## CORE VALUES

WITH OVER 25 YEARS OF LITERACY LEADERSHIP, the extensive work of Irene Fountas and Gay Su Pinnell has coalesced into Fountas & Pinnell Literacy™—a cohesive, systematic approach to high-quality literacy instruction centered on a powerful principle: *what we teach, we value; and what we value, we teach*. To that end, Fountas & Pinnell Literacy™ is built on a set of Foundational Beliefs and Core Values that together reflect a transformative vision of what literacy education can be: a shared commitment to meaningful, effective, responsive teaching that ensures the right of every student to lead a LITERATE LIFE.
