

Red Stick Times

The Graduate School of Banking at Louisiana State University

TUESDAY, May 23, 2017

The Session is off to a good start and we greatly appreciate your cooperation. It takes a major effort to get 553 bankers moving in the same direction at the same time. But once the mass is in motion it is hard to stop.

Tuesday Evening Speaker Encore

Other than at the first Friday crawfish fest the student body of the school is together at only one time and that is this evening at the traditional speaker series. Our speaker tonight at 7:00 pm in the LSU Union Theater is Colonel Arthur Athens, USMC (Retired). Colonel Athens is the Director of the US Naval Academy's Vice Admiral James B. Stockdale Center for Ethical Leadership and a member of the Academy's Senior Leadership Team. This is the first time in the long history of the School when a Tuesday evening speaker has been invited to do a repeat performance in the following year. Colonel Athens was exceptionally well received by the bankers last year that an encore is much welcomed.

Colonel Athens retired from the Marine Corps in July 2008 with over 30 years of combined active duty and reserve service. As a Marine Officer, he commanded units in the 3rd and 4th Marine Aircraft Wings, served with the U.S. Space Command and instructed at Marine Aviation Weapons and Tactics Squadron 1, the Marine Corps' equivalent of the Navy's Top Gun School. Additionally, he was a White House Fellow under President Ronald Reagan, the Special Assistant to the NASA Administrator following the Space Shuttle Challenger accident, the Executive Director of OCF, a worldwide non-profit organization helping military personnel integrate their faith and profession, the Commandant of the United States Merchant Marine Academy, and the Naval Academy's first Distinguished Military Professor of Leadership.

Colonel Athens holds a bachelor's degree in operations research from the Naval Academy where he lettered in lacrosse and served as the Brigade Commander, the senior ranking midshipman at the Academy. He also earned masters' degrees from the Naval Postgraduate School and the Army's School of Advanced Military Studies.

Report any apartment maintenance problems to the ECA front desk which is staffed by LSU personnel. The GSB desk in Room 2 in the Activity Center is staffed by GSB personnel from 7:30 am - 9:00 am, 11:00 am - 1:30 pm and 6:00 pm - 8:00 pm daily. The GSB desk phone number is **578-5019**.

REMINDER to Freshmen

Nominations for President of the Class of 2019 must be turned in by 6:00 pm this evening to the **ECA Activity Center**. Please print the name, title, bank and home town of the nominee, and make sure the nominee signs the sheet as assurance s/he would serve if elected. The person making the nomination must also sign the sheet. Voting will be Wednesday at the first afternoon class with the results in the Thursday Red Stick.

TRADITIONS

There are a few GSB traditions for which there are no reasonable explanations. One of these is designation of the first Wednesday as "Hawaiian Shirt Day" for Seniors. This practice has been passed down through the years from class to class – a strong indication that, when not occupied in study, students are challenged to figure out something to do. Juniors and Seniors are asked to wear your class GSB polo shirts on Thursday.

For future planning, Friday will be the "logo shirt day". So wear a shirt showing your bank's logo.

BankSim Computers

Senior students in the BankSim class this year have their own team computers to input their managerial decisions and get the results of their wise choices soon. This year the School purchased 40 laptop computers so that each team can make decision in a secured environment. A designated team member is in charge of the care of the computer throughout the session and returns it on the last Thursday of the session. This investment is expected to pay the school large dividends!

Internet Access

For Internet access in apartments, you will be asked for a user name and password when logging onto the LSU network for the first time. The user name is **banking@lsu.edu**, and the password is **LSUbankers@2017**. Information is in your binder, the lavender **Information for Students**. If you need additional information, or are having trouble getting on the network, please call the Residential Life Help Desk Mon-Fri. 8:00am - 4:30pm at 225-578-0560.

Where is the Bookstore?

For many, many years the LSU Bookstore was located in the first floor of the Student Union building and many bankers stopped by on their way to class for coffee and in the afternoon for additional intellectual studies. To better serve the needs of the campus population the new Barnes and Noble bookstore is located across the street from the Faculty Club. The store's management is offering our students 10% off on all purchases. Just show them your GSB nametag. They will open at 7:00 am each day for the convenience of bankers. Our experience has been that some seniors like the diploma frames available at the bookstore.

VIP on Campus

In addition to GSBLSU there are four other graduate schools of banking serving the industry in the US and one of these schools is located in Madison, Wisconsin and is sponsored by 17 mid-western state banker associations. The president of this school, Kirby Davidson, is visiting us for a couple of days to get the southern point of view on banking education. The Wisconsin school is an excellent program and to a great extent our school is patterned after their structure. The founders of both schools were close friends and collaborated closely in the late 1940's and early 1950's in their desire to provide quality professional education to young bankers.

We welcome Kirby to our School and wish him well operating his session this August.

Social Media

Those of you who use social media such as Twitter or Facebook may wish to share your school's experiences on **#GSBLSU2017**.

State Receptions

Continuing a tradition that began several years ago, several sponsoring state associations are hosting receptions for the students attending from their states. All the receptions will be held **Wednesday** evening in the Cotillion Ballroom in the LSU Union from 6:00 pm to 7:00 pm and assembly areas for each state will be identified by signs. The same refreshments will be available to all attending. This is an excellent opportunity to meet bankers from your state who are in the other classes. The hosts of the receptions are as follows:

Alabama	Scott Latham
Florida	Jeremy Hayes
Georgia	Joe Brannen Kathy Friestad Brad Barber
Kentucky	Dan Harbison
Louisiana	Bob Taylor Ginger Laurent
Mississippi	Mac Deaver Jerry Host Gordon Fellows
Missouri	Shane Cowger
N. Carolina	Peter Gwaltney Blair Jernigan
S. Carolina	Jimmy Clarkson
Tennessee	Colin Barrett Stacey Langford
Virginia & W. Virginia	Bruce Whitehurst

Caffeine Fix

Should you need an emergency injection of caffeine, you may go to the Barnes & Noble bookstore or the Library at the north end of the quadrangle.

The best way to predict the future is to create it.
