WHO MAY DRIVE THE VEHICLE

2. The Vehicle may be driven during the term of hire only by the persons described in this agreement and only if each such person holds a current full driver's licence appropriate for the class of vehicle in this agreement and is aged 21 or over. The licence details are recorded in the agreement alongside each person's name. If the foreign driver's licence is not in English, an English translation or international driving permit shall be carried with the foreign driver's licence.

PAYMENTS BY THE HIRER

3. The Hirer shall pay the Operator for the hire of the Vehicle the sums specified in this agreement. At time of booking a 30% deposit is payable. The deposit secures the booking. If the balance is not received 42 days prior to commencement of the hire, the Operator reserves the right to treat the booking as cancelled. If the term of hire is later extended the Hirer shall pay the Operator for the additional hire period when the Operator confirms the extended period. Extensions are subject to availability and are calculated at the daily rental rate on the date booked.
4. In addition, the Hirer acknowledges that s/he shall be liable to pay to the Operator at the end of the hire period any applicable additional charges specified in the agreement.
