

## WAYFINDING SIGNAGE & GRAPHICS

**Help Direct Customers and Promote Social Distancing.**

During this time of change, it helps to provide direction and instruction to customers and patients. Wayfinding signage will help you direct people to the correct areas, understand the process or use floor graphics to demonstrate where they should stand to keep a safe distance.

# WAYFINDING SIGNAGE & GRAPHICS

## PERFECT USE FOR:

- Medical offices and testing centers
- Grocery and convenience stores
- Restaurants
- Corporate offices welcoming visitors or vendors

## WAYFINDING SIGNAGE FEATURES :

- Available in standard and custom sizes
- Freestanding stands or wall-mounted graphics
- Portable banner stands and larger displays for detailed branding and messaging
- Directional floor decals help people know where to stand or which way to go
- Temporary window clings to advertise specials
- Yard signs to let passersby know you are still open

## Outdoor / Indoor A-Frame

## Entrance

## Floor Decals
