

Tribal's Business Model

Our Business Units

We operate three business units:

Student Management Systems

Student information systems and services tailored to different education segments.

i-graduate

Provision of comparative insight to help educational institutions deliver a world-class student experience to enhance competitive advantage.

Quality Assurance Solutions

Inspection services, advice and related improvement services to support institutions' development.

Our Software

Our cloud-based and on-premise Student Information Systems add value to education and business organisations throughout the student lifecycle.
