Apprenticeship Support Service

Expertise and technology, making apprenticeships easy

Running your own apprenticeship programme allows you to shape your workforce for the future. You can deliver industry-leading training to meet your business needs. You're the experts, you have the knowledge.

So, you've made it onto the Register of Apprenticeship Training Providers (ROATP). Congratulations! - but what next? Recouping Levy funding to deliver training programmes can be a minefield of compliance, regulation, audit and inspection.

Apprenticeship support for high quality delivery

Don't worry, we've got this covered.

Delivering high-quality apprenticeship support is our thing. We can guide you through the new world of funding claims, financial assurance audits and Ofsted inspection, so you can focus on nurturing your talent.

FUNDING AND DATA MANAGEMENT EXPERTISE, WHEN YOU NEED IT MOST.

ADVICE AND ONLINE SOLUTIONS TO PREPARE YOU FOR OFSTED INSPECTION.

INTEGRATED LEARNER MANAGEMENT SOLUTIONS THAT MANAGE YOUR ENTIRE APPRENTICESHIP JOURNEY.

Tribal has a team of apprenticeship specialists and the market-leading work-based learner management system. We can reduce the risk and stress of the changing landscape and provide a single, accurate view of every element of your apprenticeship program.

APPRENTICESHIP EXPERTISE

Our experts will provide the very latest guidance and advice on all aspects of apprenticeship management, including 20% off-the-job delivery, eligible costs, managing your subcontractors, Prevent and safeguarding.

FUNDING CLAIMS MADE EASY

We can help you complete your funding claim submission, provide guidance on how to correct errors and ensure you are ready for any external funding audit. Let us reduce the stress of submitting your Individual Learner Records and help you to manage your Levy funds.

OFSTED PREPARATION

A poor Ofsted grade can damage your brand. We can show you how to embed quality processes and continuous improvement into your apprenticeship programme, so you are always ready for inspection.

AUDIT COMPLIANCE

Our apprenticeship funding experts will ensure you have the systems and processes in place to comply with everything in the 457 pages of funding rules and specifications. We can help you prepare for a provider financial assurance audit and manage the audit on your behalf, making it as painless as possible.

ONLINE LEARNER MANAGEMENT

Connect with your learners through our powerful ePortfolio and learner management tool. Streamline your processes, let your apprentices enrol online, and make progress visible to everyone, driving learning forward.

REGULAR REVIEW MEETINGS

Regular remote meetings with operational and management staff will check the progress and quality of your apprenticeship programme. We'll keep you up to date on any changes to apprenticeships policy and practice, and how they might affect you.

FUNDING AND REPORTING HELPDESK

We're just a call away, ready to answer your immediate questions on funding compliance and agency rules, providing the support you need, when you need it.

BUSINESS INTELLIGENCE

Use our dashboards and reports to get a live, holistic view of your apprenticeship programme, enabling better decision making and early identification of risk.

FOCUS ON LEARNERS

Reduce the time your staff spend on claim validation and submission, let them focus on providing high-quality development for your apprentices.

PLAN FOR THE UNPLANNED

Ensure business continuity by removing the risk of a single point of failure in your business, with access to on-demand support from a team of experts to supplement your team's capacity and knowledge.

About Tribal

We provide the expertise, software and services required by education and business organisations worldwide.

Operating across all education sectors, from early years and schools, through further, vocational and higher education, and on to learning and training in employment.

Our software and services enable organisations to improve the quality of their learner experience, while operating more efficiently, and ultimately help to deliver improved outcomes.
