GRATEFUL TO HAVE GIFTED FOR:

"Working with Ashley and the Box of Zeal team is a delight. I shared our vision and price range and they made the magic happen. The experience was professional, fast and personalized. Our customers were delighted when their custom gifts arrived. Will definitely work with them."

We have received numerous thanks and compliments on the boxes! We appreciate your hard work, attention to detail, and fast turnaround time!

"I ordered customized end of year gifts for my teaching staff. The packaging, pricing and product was perfect! My staff was happy and felt special that they were able to receive a gift that reflected their experience teaching in a year of COVID-19. I'm thankful that I was able to find a resource that lived up to its name!"

A photograph of two women standing outdoors by a pond with a fountain in the background. The woman on the left, with dark skin and braided hair, is wearing a light-colored cardigan and is smiling while holding a black gift box. The woman on the right, with light skin and long brown hair, is also smiling and looking at the box. The box is open, revealing a jar of 'CANDY CLIPS' and other items. The box lid has a logo that says 'BOX OF ZEAL'.
