

PURCHASE ORDER TERMS AND CONDITIONS [GOODS]

1. **Goods.** Supplier shall deliver the goods (“Goods”) in accordance with the attached Goods Purchase Order and these Terms and Conditions (collectively, the “P.O.”). Supplier shall not subcontract the manufacturer of the Goods without the written consent of ASI.
2. **Warranty.** All goods and materials shall be new, unless otherwise specified in this P.O. Supplier warrants to A. Schulman Inc. (“ASI”) that the Goods purchased under this P.O. are: (a) free of defects in materials, workmanship or design, in conformance with ASI’s written specifications, vest in ASI good and valid title to the Goods free and clear of all liens, encumbrances, security interests, burdens and/or other claims; and (b) free of infringement or violation of any copyright, trademark or other intellectual property rights. Any modifications to ASI’s written specifications shall be in writing and signed by ASI and Supplier. The warranty period is 1 year from date of receipt of Goods by ASI. The warranty period for repaired or replaced Goods is 1 year from the date of acceptance by ASI.
3. **Inspection and Acceptance.** ASI reserves the right to inspect and either accept or reject Goods that contain any defect in materials, workmanship or design or fail to conform to ASI’s written specifications. Neither ASI’s inspection nor failure to inspect shall relieve Supplier of any obligations hereunder.
4. **ASI Remedies.** If a defect or nonconformance in materials, workmanship or design is discovered during the 1 year warranty period, ASI may, at its option: (a) return the Goods to Supplier at Supplier’s expense for a full refund of the purchase price; (b) require Supplier to repair or replace the defective or nonconforming Goods within 5 days of Supplier’s receipt thereof; or (c) exercise any other rights that ASI may have in law or in equity. Goods that are returned to ASI under this warranty after repair or replacement are subject to the same inspection and acceptance provisions of this P.O. as Goods originally delivered. Supplier shall pay all costs related to repairing or replacing such Goods, including, but not limited to: labor, materials, inspection, and shipping costs. If ASI incurs any such costs directly, ASI may recover such costs from Supplier or offset such amount against unpaid purchase orders for other Goods. Supplier will transfer any manufacturer’s warranties to ASI.
5. **Pricing; Invoices and Payment.** The prices in this P.O. include all direct, indirect and incidental charges related to the sale and delivery of the Goods to ASI, including, but not limited to packaging, packing, crating, storage, forwarding agent and brokerage fees, insurance costs, freight shipping charges, document fees, duties and charges of any kind. Invoices will be payable 60 days following the date of delivery of the Goods and ASI’s receipt of invoice, together with the appropriate supporting documentation. Schulman, Inc., Attn: Accounts Payable Department, 3637 Ridgewood Road, Fairlawn, Ohio 44333.** ASI shall have the right (but not the duty) to withhold payments due to Supplier hereunder and apply same to the payment of any obligations of Supplier to ASI. 6. **Termination.** ASI or Supplier may terminate this P.O. upon default of the other party, upon written notice to the defaulting party. ASI may terminate this P.O. at any time for any reason, upon notice to Supplier.
