

OneStream Software and B-eye Solutions Launch Strategic Partnership in the Middle East

CPM Leader and OneStream Platinum Partner bring deep domain expertise and extensive industry experience to the Office of Finance

ROCHESTER, MI – March 6, 2018 – [OneStream Software LLC](#) today announced they have forged a partnership with B-eye Solutions to transform Corporate Performance Management (CPM) for sophisticated organizations. OneStream and B-eye Solutions' shared vision for partnership will change the way organizations in the Middle East currently handle their enterprise-wide financial processes.

OneStream Software provides a revolutionary Corporate Performance Management (CPM) solution that unifies and simplifies financial consolidation, planning, reporting, analytics, and financial data quality for sophisticated organizations. Deployed in the cloud or on-premise, OneStream's smartCPM™ platform is the first and only solution that delivers corporate standards and controls, with the flexibility for business units to report and plan at additional levels of detail without impacting corporate standards – all through a single application.

"We are thrilled to announce our partnership with B-eye Solutions and extend our presence in the Middle East," said Craig Colby, chief revenue officer of OneStream Software. "We believe that a strategic partnership with B-eye Solutions is ideal for the evolving needs of our customers on a global scale. More organizations are turning to OneStream to modernize, simplify, and extend their Corporate Performance Management. Together, OneStream and B-eye Solutions will provide our shared customers with a SmartCPM solution that eliminates inefficiencies and allows them to Get Back to Business."

"B-eye is one of the first OneStream partners in Europe and has had great success in delivering OneStream's smartCPM platform for sophisticated financial reporting, profitability and planning solutions to drive real business value to our global customers," said Jesper Hansen, Partner of B-Eye Solutions. "We are excited to leverage this experience to enter the Middle East market with the knowledge and expertise of how to deliver a smarter cpm solution for our customers and empower them to utilize this state-of-the-art technology."
